

## Elder Engagement Kit Registration Form

APIA is currently accepting registration forms from Elders/Seniors that are 60 years of age and older and reside in one of the following communities: Adak, Akutan, Atka, Cold Bay, False Pass, King Cove, Nelson Lagoon, Sand Point, St. George Island, St Paul Island and Unalaska/Dutch Harbor, to receive the three Elder Engagement Kits. This project consists of three separate kits that will be mailed to each participating Elder/Senior between the months of April and June 2021. Up to 350 Elders/Seniors total will be accepted to receive the kits. This will be on a first come first serve basis, filling out this registration form, sending it in and receiving a confirmation, secures you a spot. The three kits may consist of:

- **Pen Pal Kit-** Items such as cards, letter paper, pre-stamped envelopes, pencils, pens and other writing materials for the purpose of encouraging Elders to write letters to other Elders.
- **Arts and Crafts Kit-** 3-5 different and unique arts and crafts projects. Items such as, beading activities, small knitting activities, crossword puzzles, painting projects, small felt projects, bird house decorating, wind chime materials. (Possible live online zoom sessions for Elders to do activities together remotely) Information will be included in the kits.
- **Positive and Encouraging Kit-** Items such as pocket tissue, glasses cleaner towel, hand sanitizer, masks and information and resources to engage and connect with others remotely as well as reduce social isolation. These items will contain positive and encouraging messaging.
